**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Big telephone and cable carriers have a monopoly position due to their wiring infrastructure. Sensible regulation provides competitive access to this infrastructure providing more reasonable prices, features and choices for consumers. I'm a residential user of DSL service via AT&T lines. Please retain broadband competition.
